## PERFECTION REDEFINED

It's an instinct held only by anglers about what makes the perfect fishing kayak. So how did the designers of the acclaimed Tarpon series figure it out? They simply asked them.

Introducing the ALL-NEW 2009 TARPON, fully redesigned for those who desire the latest engineering innovations in performance, comfort, storage, and rigging capability. Featuring upgraded Phase 3<sup>®</sup> outfitting, the revolutionary new SlideTrax modular accessory system, an increased tankwell size, and Orbix easy-access hatches, it's the series tireless anglers swear by.

Our chase for perfection has made us the sport's most trusted name - in performance, material quality, comfort, and owner satisfaction.
